The Bears Tooth Theatre and the Alaska Youth for Environmental Action of the National Wildlife Federation are teaming up to show “Who Killed the Electric Car?” a documentary about the causes of the birth and mysterious death of the electric car in the 20th century. If you drive a car, own a car, ride in a car, take the bus, or ride a bike—you must see this film! Thursday, October 5th 7:40 p.m. \$3 at the door, appropriate for all ages. 1230 West 27th Ave. ayea@nwf.org or (907) 339-3907.
